

Vehicle Details Sheet Order Form

for Name: .....

Fill in the details below in **BLOCK CAPITALS**. Any names etc, will be put on your sheet as you spell them, so get it right. You may substitute say **BODY** for **GEARBOX** if your vehicle has a special body or other but make it clear. Use only one line for each detail. Under "Other Details" you have a maximum of 80 words (a date or number counts as a word). Keep it interesting & not too involved, this is for Joe Public. If you do not want your name/town on the sheet leave it blank.

Use reverse or separate sheet for additional vehicles/sheets and send with cheque made out to 'S,V.E.C.' for £1.50 per sheet to the address below. Pick up at Club Nights or events.
